## Signature Edition Supreme Wrapping Film™ by Avery Dennison

### A Voyage of New Colours

Experience style and sophistication with Avery Dennison's new line of Signature Edition Supreme Wrapping Film colours, inspired by international designer and luxury wheels manufacturer Diko Sulahian, of Giovanna Wheels, and internationally recognised professional graphics installer & trainer Justin Pate.

Sleek and polished, the new Giovanna colours are designed to make a statement. Explore the stunning shades of Satin Pearl Nero (black), Satin Pearl Cielo Blu (blue) and Matte Metallic Grigio (grey) for a dramatic finish.

Justin's fresh pearl and deep metallic hues include the stunning Bahama Blue with a sheen that is sure to please. The ethereal dazzle of the night sky inspired the Milky Way and Meteorite metallics. These colours are all style, with just enough sparkle to capture attention and imagination.

This limited edition range demonstrates the same performance and versatility you've come to expect with Avery Dennison's existing Supreme Wrapping Films.
