

# Avery Dennison® 700 Premium Film™

Sign making just got easier.

A long standing favourite for applications with coloured films, the 700 Premium Film range has improved further. It now offers easier converting thanks to enhanced cutting-and-weeding and layflat properties.

The new upgraded version keeps everything you liked most and gives you still more - including improved adhesive and new liner imprint for the 700 Premium Film opaque range.

## Key benefits

- A medium-life range that covers all sign makers everyday needs
- Faster and more reliable conversion
- Dimensional stability
- Longer term durability, up to 8 years
- Surface finish
- 113 standard colours are available, along with a colour-matching service, and 24 colours come also with Easy Apply™ technology
- Black & White matt available with Hi-Tack adhesive

## Converter friendly

- Conformable and flexible - easy to apply, no lifting from recesses
- Great cutting and weeding characteristics, even with small lettering
- Improved adhesive technology
- New grid liner imprint for easier manual cutting

## Recommended uses

700 Premium Film offers a very wide range of special colours for:

- Window graphics
