An impressive film for your short-term promotional graphics

Exceptional promotional campaigns require exceptional print films. The new MPI 3900 plus gives you a remarkable print performance on both digital and screen print platform with a general purpose permanent adhesive that sticks and stays.

Features and Benefits:

- The film provides excellent results for both screen as well as all major digital printing platforms enabling you to select the right platform for your promotional needs.
- Best-in-class adhesive which sticks and stays to ensure successful application on most 2D surfaces.
- True white & superior gloss for vibrant print results creating larger-than-life graphics for your campaigns.
- Excellent cost-performance ratio making it ideal for frequently changing promotional campaigns

Applications:

- Short-term display advertising
- Exhibition graphics
- Point of purchase
- Billboards
- Transit Advertising
